FLASH6S

Compact dishwasher silver

If you think that washing the dishes is a chore, do not wait to have a big kitchen to avoid it. Save your time with the FLASH6S compact dishwasher.

Say goodbye to your filled sink...

Do you know that doing the dishes by hand use up more water and energy than a dishwasher? Say goodbye to your filled sink in your flat thanks to the Brandy Best's compact dishwasher. From the intensive programme to the economic one, the FLASH6S takes care of your beautiful crystal glasses. It also has a delayed start function and an overflow security so you can use it safely when you are not home or during your off-peak hours.

Practical and efficient...

The FLASH6S dishwasher has a capacity of 6 place settings. You can enjoy its amenaged interior and adapt every washing cycle. The stainless steel tank inside the dishwash allows an easy maintenance. It has an easier resistance to stains, smells and scratches. Our dishwasher is functioning with the lowest sound level possible (49dB) and is still able to provide extra-satisfying results. The 6 programmes, one of which being a short programme, and the delayed start allow the FLASH6S to adapt itself to everyone's needs and rythms. Our dishwashers are classified as A+. The anti-overflow security ensure you serene washing cycles.
